Award-winning Care

We work hard every day to provide an outstanding level of care, and it shows. The American Health Care Association/National Center for Assisted Living (AHCA/NCAL) recognized Bourne Manor with the Bronze Commitment to Quality award in 2010, the first step toward the Gold Excellence in Quality recognition. This prestigious award is given to select facilities across the nation that serve as models of performance excellence and continuous quality improvement in long-term care services. Consistent positive feedback on satisfaction surveys, conducted by an independent national firm, placed us among the top 10% in the nation.

Berkshire Healthcare is a not-for-profit consumer-centered organization committed to fulfilling the health and residential needs of the population in the communities we serve. Our network of resources and healthcare professionals allows affiliated facilities to consistently deliver the highest quality of care.
